

DESIGN INTERN | 6 months

Stuttgart, Germany

zigzag is an international design studio specialized in user experience. With user research, interaction and visual design as well as prototyping and development, we support each stage in innovative software development. Our goal is to create valuable and emotional experiences for users and we are working with Fortune 500 companies and start-ups across very diverse industries. Besides client works, we also love to create our own ideas and products like the photo app Posteroid or the Chrome extension Tablé.

zigzag is all about the people. We are continuously searching for talented designers and creative developers. Currently, we are looking for a Design Intern to join our multidisciplinary team in Stuttgart, Germany.

RESPONSIBILITY - What you will do

- You will participate in user and design research, design strategy, information architecture development and interaction design for software products.
- You will develop innovative and state-of-the-art visual design, typography and screen layouts for software, applications, web sites, and other interactive media.

SKILLS - What you must have

- Curiosity, creativity and passion for design, technology and making amazing experiences
- Self-motivation, initiative and an eye for details
- Some experience in designing user interfaces and UX concepts
- Interest in technology and prototyping
- Some experience in visual design and project work
- Pursuing a degree in an accredited bachelor's or master's programme in Europe in e.g. Interaction Design, User Experience Design, Visual Communication Design or a related design discipline, which requires a mandatory internship of six months
- Fluency in English to successfully work within our international team and with our worldwide clients

BENEFITS - What we offer

- Building your skills within a team of multidisciplinary and international professionals
- Challenging projects for global clients in a surrounding without hierarchies and restraints
- Opportunity to pursue your interests and to implement own ideas
- Professional guidance and in-depth on-the-job training within a six-months internship
- Competitive and fair payment
- Regular team events
- Free drinks, coffee, sweets, and fruit

Please note: Candidates must be eligible to legally work and live in Germany, as we cannot support VISA needs for internship roles.
